Delivery Specifications

- 1) Mid-Bins will take all precautions and use safety stabilizers in all our deliveries.
- 2) The driver will offload the bin on or as close to the requested area provided by the owner/builder. It is the responsibility of the owner/builder to ensure the area is clean and stabilised for the bin. At no time will the bin be shifted using cranes or the truck.
- 3) Mid-Bins will not be held responsible for any damage caused by the off loading of the bin
- 4) The Bin will remain the property of Mid-Bins and may not be moved or removed by anyone, except the staff of Mid-Bins.

Environmental Notice

Mid-Bins uses various municipal and private waste sites and requests that no toxic, flammable or oil based waste be placed in our bins. This can be harmful to the environment. Any such waste must be specified for special disposal.
